

Stragis Environmental Services Inc. (Stragis), a full-service engineering firm and member of the Greenland Group of Companies, is seeking a Project Analyst to join its collaborative team.

Responsibilities:

- Conduct site inspections including Environmental Site Assessments (ESA);
- Conduct field work, including visits to sites and supervise remediation activities;
- Interpret and analyze sample results in relation to legislative requirements and industry-accepted guidelines and criteria;
- Prepare technical reports, proposals, tenders and regulatory documentation;
- Fuel storage tank compliance management;
- Industrial and municipal water quality compliance management;
- Water quantity and water quality monitoring;
- Liaise with clients and stakeholders;
- Assist with business development; and,
- Provide technical support to project teams.

Experience:

- Five (5) years of experience in the areas of responsibility listed is preferred.

Education:

- B.Sc. in the following or similar disciplines Geography, Environmental Studies or Civil-Water Resources-Environmental Engineering.

Skills:

- Organized and self-motivated individual capable of producing results and meeting deadlines;
- Refined analytical and problem solving skills;
- Excellent communication skills (both oral and written);
- Ability to establish effective working relationships with colleagues, associates, and clients;
- Ability to effectively multi-task and work in a fast paced, high change environment;
- Demonstrate initiative and attention to detail; and,
- Expected to manage work with minimum supervision.

This position has been designed for a self-motivated individual, who in time, will be responsible for growing our environmental monitoring, management and compliance practice area. The base location for the position is Caledon East, however Stragis is open to considering other work-live arrangements for the right candidate. We offer a professional working environment and culture as well as a competitive salary package.

Please email your resume in confidence to greenland.resumes@grnland.com and to the attention of Jim Hartman, P. Eng., President. While we thank all applicants, only those contacted for an interview will be acknowledged.

The Greenland Group is committed to an inclusive, barrier-free selection process. If contacted regarding this competition, please advise the interview coordinator of accommodation measures you may require during our selection process. Information received relating to accommodation needs of applicants will be addressed confidentially. The Greenland Group supports diversity, equity and a workplace free from harassment and discrimination. Personal information contained in applications will be used for recruitment purposes and collected as per Freedom of Information (F.O.I.) And Protection of Privacy Act, 1987
